CHIME Education Foundation: EMPOWERING TOMORROW'S LEADERS

Since 2007, the CHIME Education Foundation has been dedicated to empowering future healthcare leaders to thrive by providing financial assistance for their professional development. Your support can transform the lives of aspiring digital health professionals and help to shape the future of healthcare.

By investing in the CHIME Education Foundation, you can:

- 1. PAY IT FORWARD:** Individuals who have achieved success in their careers recognize the value of those who have helped them on their journey. You can play a key role in the future of the next generation of healthcare IT leaders by establishing a scholarship fund or by making a donation that will provide them with financial assistance for professional development.
- 2. MAKE AN IMPACT:** Your investment has a profound and lasting impact on the lives of future healthcare leaders and will positively affect the patients and communities they serve.
- 3. SOLVE A CRITICAL NEED:** Education helps healthcare leaders advance their skills and knowledge, especially during challenging financial times for the healthcare industry. Your support helps us expand our ability to offer additional education opportunities to our members and their teams when they need it most.

One of the biggest accomplishments in my professional life was being awarded a full scholarship to attend CHIME education. The real-life scenario's, case studies and faculty gave me the confidence and prepared me to reach the next level in my career. I am extremely grateful that the CHIME Education Foundation afforded me this opportunity and cannot stress how valuable the entire experience was to me and my development as a digital health leader.

- CIO Boot Camp Scholarship Recipient

MAKE A DIFFERENCE - DONATE

Your donation makes a difference! It provides vital financial support to current and future digital health leaders! You can donate online, by mail or by initiating a contribution from a personal foundation as a one-time donation, or set-up recurring yearly contributions.

SCAN TO DONATE

As a 501(c)(3) organization, our mission is to enable deserving individuals to access quality health education, foster their growth as the next generation of healthcare leaders who shape the future.
